

THE ORDER OF AUSTRALIA ASSOCIATION

ADMINISTRATION UPDATE

The past twelve months have proved to be another progressive milestone for our members across Australia.

All States / territories have conducted a range of member events with outstanding results in urban, rural, regional and outback areas.

Your recognition and support of young secondary school students has paid great dividends as our Nation prepares for a bright future.

NATIONAL CONFERENCE / APRIL 2017 / BRISBANE

We have been advised by (organiser team) Michael Davis that registrants are increasing with support for both pre and post conference tours. The 2018 National Conference (Adelaide) is on the final planning run and 2019 (Tasmania) is well underway with exciting local member support. We owe a great deal to all of the organising team members.

NATIONAL SELECTION / INVESTITURES

We understand that increased applications are being received for a majority of States / Territories. In some areas, local branches conduct practical workshops to increase applications whilst in other areas the focus is to encourage younger awardees.

Best regards
