

**THE ORDER OF AUSTRALIA ASSOCIATION  
NATIONAL CONFERENCE, CANBERRA 14-16 FEBRUARY 2013**

**NATIONAL SYMPOSIUM: FRIDAY 15 FEBRUARY**

Major points to be covered by Dr Sam Prince in his opening remarks:.

1) LEADERSHIP IN AUSTRALIA

- What can we learn from other parts of the world
- The danger of over-regulation
- How the Order of Australia is in prime position show/lead the way and become shining examples

2) ABORIGINAL HEALTH - as referenced by Major General Jeffery

- One of the most important ways of doing work in the Aboriginal population is by forming partnerships- We, at One Disease At a Time have done this effectively in the East Arnhem land
- Importance of empowerment
- Understanding what has not worked in the past
- Understanding the time scale in which trust has been broken and how it can repaired
