ORDER OF AUSTRALIA ASSOCIATION

ADMINISTRATION UPDATE

GOVERNOR GENERAL

HONOURS AND AWARDS REPORT.

You may be aware of the comprehensive report on the Governor Generals website. The report includes valuable statistical information as well as a detailed breakdown of the Order of Australia nominations and awards by category / gender for the past five years.

Given our concurrent and past discussions this is very good material for all of us to use in preparation to increase membership.

State / Territory Branches / Regional Groups could use this as a signal to support increased nominations from a wide variety of people.

QLD NATIONAL MEMBER CONFERENCE

We continue to receive advice of increased interest in registrations for the 2017 Conference in Brisbane. May we ask you to continue and promote this well organised conference.

OAA FOUNDATION

We understand that further support is being received for the foundation. The selection process is well underway to present at Brisbane in 2017.

Best regards
