ORDER OF AUSTRALIAN ASSOCIATION

ADMINISTRATION UPDATE

RURAL / REGIONAL / RIVERINA

Our membership in a wide range of rural, regional and outback areas continues to increase. A recent visit to Wagga Wagga in the Riverina showed the exciting pace of development by our members in these areas. But as in all States / Territories, our members need and appreciate the support from their major city colleagues.

NATIONAL CONFERENCE / BRISBANE / SA / TAS

Final plans are now in hand for 2017 member's conference to be held in Brisbane. In 2018 the members Conference will be staged in Adelaide and already plans are well in hand by Tasmania for the 2019 National Conference. Our members look forward to the National Conference and renewing contact during the programme. The comprehensive draft plans in Tasmania show great promise for an exciting member's event in Hobart and beyond.

ACT BRANCH – INCREASED INTEREST

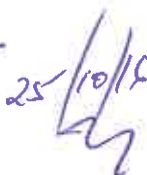

In speaking recently with Bruce Trewartha (Chair) it is pleasing to see the increased attendance at local events. Canberra and the ACT region has a great deal to give their members and the Association.

WA BRANCH / INNOVATIVE MEMBER EVENTS

Our WA Branch continues to provide local members with a wide range of interesting events. The 2017 programme is well underway and local Chair – Bill Hassell AM is well organised for members events in 2017.

W.R. Galvin OAM

National Chairman.
