### Treasurer's Report 2021

This year has once again offered many challenges to the Association. We have not been able to meet and run-in normal ways, but thanks to modern technology we have been able to keep in touch, and although not being able to meet face to face, it has not meant we haven't been able to keep working and meeting together in different ways.

Merchandise sales have continued throughout the year, and we have been able to process orders in a timely and efficient manner for Members, Branches and Regional Groups.

The year ahead looks brighter once again as we begin new and changed ways of operating, meeting, and supporting our members. As always there will be plenty of work for Treasurers.

#### **Financial Statements**

Attached are copies of the Balance Sheet and Profit and Loss Report for 2021 which have been reviewed by National and their auditors.

#### **Highlights for 2021:**

- Merchandise Sales - \$ 24,652.56
- Regional Group distribution from BAG payments - \$ 6,073

I would like to thank the Victorian Branch Committee, specifically the Chair Helene and Secretary Fred for their support throughout this year as we all balance work, family and voluntary commitments. Their friendship and support have been greatly appreciated.
