GOVERNOR GENERAL'S REPORT

HIS EXCELLENCY GENERAL THE HONOURABLE DAVID JOHN HURLEY, AC, DSC (RETD)

I want to begin my contribution to this edition of The Order by acknowledging the passing of Queen Elizabeth The Second.

In my address at the National Memorial Service I observed that throughout her reign The Queen had consistently demonstrated tireless and selfless service, devotion to duty and a compassion for others. History will remember few like her and while we mourn her passing, we are grateful that we have witnessed — and benefited from — her remarkable life. She epitomised servant leadership and set an example of living and serving for something greater than herself.

The Queen was, of course, the Sovereign of the Order of Australia. His Majesty The King assumed that role on his ascension to the throne. Ours is, however, very much an Australian system. Notwithstanding that the Sovereign does not have an active role in the Order, we can, however, take note of and inspiration from the legacy that The Queen has left us.

Part of her legacy is to be found in her values, values to which we can ascribe and aspire to. They are as relevant today as they were 70 years ago. They will be as relevant in 70 years' time as they are today. They are also values that we see writ large in members of the Order and across the best of our community. As I review honours lists or welcome people to investiture ceremonies, I'm constantly amazed by the breadth of endeavours and the diversity of backgrounds represented. The same values, however, are consistent: overwhelmingly recipients are selfless, devoted to duty and compassionate. Like The Queen, they are an example and inspiration for our community.

In our system, and I say 'our' very deliberately, we all have a role to play in identifying people who exhibit those characteristics. Those who go above and beyond, who inspire and who have an impact at the local, national and international level. Critically, we need them to be both identified and nominated.

There is much work in progress to increase awareness of and encourage greater engagement with the Order. My office is producing new promotional material, guidance and working with parts of the community to encourage more nominations. I know that there is close collaboration with the Association – a partnership that I'm delighted to support and, I believe, will be of great benefit. While social media isn't for everyone, you can follow updates on Facebook. In addition, I know that new material will be shared with the Association regularly. If you would like to learn more please don't hesitate to contact my office.

In closing, I would like to thank you for your ongoing contribution to our community and the Association.

EDITORIAL

Phil Morrall AM, CSC – Editor

In this time of change it might be advantageous for us all to remind ourselves of the 'structure' of our Order. Of course, a series of amendments reflecting the new Sovereign of The Order and consequential changes will be made in due course.

The necessary administrative documents are available on the website at Government House, extracts of some links are below:

Constitution and Ordinances:

Constitution of the Order of Australia | Governor-General of the Commonwealth of Australia (gg.gov.au)

Council:

Council for the Order of Australia | Governor-General of the Commonwealth of Australia (gg.gov.au)

The membership of the Council of The Order has recently changed with the Prime Minister nominating some changes.

Recently, a query was raised as to why images of The Monarch and His Excellency were prominent on our Association's website. The answer is simple and devoid of any 'monarchy / republic' connotations – His Majesty Charles III is The Sovereign of The Order, His Excellency is The Chancellor of The Order and Patron of our Association.

NATIONAL CHAIRMAN'S REPORT

Barry Nunn AO
National Chairman

The year 2022 will long be remembered as one of great change. We saw the passing of Her Majesty Queen Elizabeth II after a lifetime of service. We welcomed His Majesty King Charles III as Sovereign Head of our Order.

We saw unprecedented rainfall in many regions and a continuation of major flooding. Our thoughts are with all those affected.

The winter of 2022 saw acceptance of the need to manage COVID as ongoing in our community. The work of our Branches in resuming member activities ensured that the life of our Association largely returned to normal. The challenge remains to experiment with new ideas that will both encourage Order of Australia recipients to join us and will give existing members reason to stay with us.

2022 saw Mr Hugh Morgan AC hand over chairmanship of the Order of Australia Foundation to Dr Helen Nugent AC. Hugh is congratulated for his long service and his part in the awarding of 45 scholarships to deserving tertiary students.

The very popular Association WWI Battlefield Tour, arranged by our member John Basarin OAM, is to be conducted again in 2023. This activity has received great reviews from those attending in previous years. The details of the 2023 Tour are included in this edition of the magazine.

Association National Conference preparation is now well under way in Victoria. The 2023 Conference, to be held in Geelong, should be a very interesting event and its regional location will hopefully attract more local members. Details are included in this issue of the magazine.

As we approach the end of 2022, I encourage all members to consider whether they could contribute to the life of our Association by nominating for National or Branch management positions. There will be a call for nominations in the first quarter of 2023.

I look forward to meeting members, in Geelong, in May 2023.

I wish all members a very happy Christmas and a New Year that is hopefully less impacted by unexpected events.

You are invited to join the 10 day tour of Gallipoli/Turkey, 25 May 2023, followed immediately by a 9 day tour of the battlefields of Western Front.

This fully escorted tour is reserved for OAA members and their guests. All Covid related rules and regulations at the time will be strictly adhered to ensure safety.

Highlights of the Turkey tour lead by author and historian Dr John Basarin OAM will be visits to Gallipoli Battlefields [Anzac Cove, Lone Pine, Chunuk Bair, Shrapnel Gully, The Nek, Ari Burnu, Quinn's Post, Krithia and Helles], Troy, Pergamum, Ephesus and Istanbul.

Western Front tour highlights, lead by researcher Garry Snowden OAM, will include cities of Paris, Leper, Amiens and Arras and the battlefields of Menin Gate, Polygon Wood, Passchendaele, Fromelles, Bullecourt, Pozieres, Compiègne and Villers-Bretonneux.

You can choose to tour Turkey on its own, the Western Front on its own, or combine the two. A small part of the funds go towards OAA and FOGI. Approximate costs are:-

- Turkey \$3999.00 twin/double per person. Single supplement \$899.00.
- Western Front \$4950.00 twin/double per person. Single supplement \$990.00.
- Combined \$9799.00 twin/double per person. Single supplement \$1899.00 (this includes the flight from Turkey to Paris).

All 3-4 star accommodation, breakfasts, several meals, site entrance fees, luxury coach travel, sightseeing, and services of professional tour guides are included.

Not included are international airfares from Australia, insurance, some meals and expenses of personal nature.

Please register your expression of interest at your earliest opportunity as this tour will book out quickly. Further details can be supplied on request by contacting Alan Valpiet at iTalk Travel and Cruise on Phone 03 53335913, m: 0418 503 188 during business hours, or email alan@ballarat.italk.travel

CHAIRMAN'S REPORT

Michael Crane DSC & Bar, AM
Branch Chairman
chairact@theorderofaustralia.asn.au

ACT Branch activities since July have focussed primarily on delivering several functions. In August, Dr Bill Maiden PSM AM delivered another very successful Student Citizenship Awards function featuring three individual awards and one group award. At our September morning

tea, Emeritus Professor John Hardy OAM explored Shakespeare's Measure for Measure, demonstrating yet again the continuing contemporary relevance of the Bard. And in late October, we were at last able to hold our Spring reception, with 12 new recipients in attendance, including nine new members.

In September, I went to Government House to sign the Condolence Book for Queen Elizabeth the Second on behalf of the Branch.

Our efforts for the remainder of the year turn to the annual Australian National University Lecture on 7 December and preparations for next year. Details of events through to February 2023 are in the November edition of the Branch newsletter.

MORNING TEA WITH EMERITUS PROFESSOR JOHN HARDY OAM

Members and guests met on 7 September at Royal Canberra Golf Club for a morning tea with guest speaker Emeritus Professor John Hardy OAM. John explored and analysed Shakespeare's play Measure for Measure in depth, arguing that it foreshadows, and is sympathetic with, much in the #MeToo Movement, rather than being a misogynistic work as it is sometime portrayed. You can read John's text at <https://theorderofaustralia.asn.au/act/events/> Professor Hardy was awarded the Medal of the Order of Australia in January 2021 for service to tertiary education, particularly to the humanities.

2022 STUDENT AWARD RECIPIENTS

Recipients of ACT Branch Student Awards - Lize van der Walt, Anneliese Smolonogov, Anna Charlton, Forrest Primary School's 'Earlyact' Club

At an event held on 25 August at the Royal Canberra Golf Club, The ACT Branch presented Student Awards to the following local students who were judged to have shown good citizenship and community service by a Branch panel led by Dr Bill Maiden PSM OAM. The student awards are the primary outreach program of the ACT Branch.

Anna Charlton – Year 9 – Radford College

Since she was in Year 7, Anna has worked for two afternoons a week as a volunteer at a kitten and cat refuge/rescue centre. As a member of a dedicated team, her responsibilities have included helping homeless and often unwell cats restore to good health. Just as importantly, she works to support the cats' social skills without which they will not be able to find new homes. Anna is valued for her contribution and commitment in this work, displaying maturity and reliability. She has provided community service over and above her regular school activities in a valued community project, often foregoing social and enjoyable activities to undertake this role. She was awarded the Association's Medallion Award for Outstanding and Sustained Community Service.

Anneliese Smolonogov – Year 12 – Canberra Girls Grammar School

Anneliese has a strong record in volunteering. She has assisted children with disabilities at a nearby school on a weekly basis. Also, she has contributed annually to Anglicare's Crafts and Carols Christmas Service by making, wrapping and delivering toys to enable children in the broader community to enjoy these resources. A further community service is her engagement in a four-day program each year in another educational setting which offers targeted care to young people who meet the ACT Disability Criteria. Her nomination summarised the strong commitment she gives to her community and described Anneliese's humility in her service to others. She is a role model to peers. Anneliese was awarded the Association's Medallion Award for Outstanding Community Service.

Lize van der Walt – Year 12 – Canberra Girls Grammar School

Lize has earned widespread respect through her many activities as a citizenship leader and the contributions she has made to her community. Her nomination cited many leadership roles both in and outside her school. Examples are that, within her school, she is captain of her school's Duke of Edinburgh program and has demonstrated that she is a role model in demonstrating that program's values, the school's values, and Australian values. As a House Vice-Captain she exhibited exceptional community spirit, leadership skills and the ability to serve others. Away from the school she has organised donations for St Vincent de Paul each weekend for several years. Lize was awarded the Association's Medallion Award for Outstanding Citizenship.

Forrest Primary School's 'Earlyact' Club

Since 2017, Forrest Primary School has established a club that aims to capture the children's enthusiasm in increasing awareness of the importance of taking action and working together to make change. This club is comprised of approximately 30 Year 6 students who lead and coordinate activities across the school to raise awareness of community support programs and through fundraising, achieved through a 'Big Action Week' held each term. Examples of supported organisations and programs include RSPCA, 'OzHarvest', Queensland schools affected by floods and a university research program for endangered Australian wildlife. The 'Earlyact' Club has had a close relationship with Rotary for several years and since 2017 the school community has been collecting and donating stationery to support schools in Papua New Guinea. The Club was awarded the Association's Group Award for Outstanding Community Service

VALE

We regret to advise the recent passing of the following ACT Branch members and pay our respects for their contribution to the Association and the Australian community.

Dr Allan Hawke AC – Queen's Birthday 2010 – For eminent service to public administration, particularly through the formulation and implementation of policy in the areas of transport, defence and education, and to the strengthening of bilateral relations with New Zealand. Dr Hawke was Secretary of a number of Commonwealth departments including Defence (1999-2002) and High Commissioner to New Zealand 2003-2005.

Sir David Smith KCVO, AO – Australia Day 1986 - For service to the Crown, as Official Secretary to the Governor-General and as Secretary of the Order of Australia. Sir David was Official Secretary to five Governors-General and knighted by Queen Elizabeth II at Balmoral in 1990.

Dr Heather Lopert AM - Queen's Birthday 2003 – For service to health care, particularly as a contributor to the development of ambulance officer clinical standards and practice.

Dr. Michael Sargent AM – Australia Day 1993 – For service to engineering.

Mrs Prudence Clarke OAM – Australia Day 2007 - For service to education and to the community, particularly as Convenor of the ACT Children's Week Committee.

Mr Clive Gesling OAM - Queen's Birthday 1979 – In recognition of service to the community.

Affiliate member

Mr David Barnett OBE – 31 December 1980 – In recognition of service to public service.

CHAIRMAN'S REPORT

Alastair Douglas OAM
Branch Chairman
 chairtas@theorderofaustralia.asn.au

The investiture at Government House for the Queen's Birthday honours recipients was held on 8th September 2022. The investiture was conducted as a single ceremony rather than a number of smaller ceremonies, as we had become used to during the last two years due to Covid. Sixteen Tasmanian were invested with their honours and many with family and friends accepted the Branch's invitation to attend the celebratory lunch following the ceremony. This was another successful event with 88 guests enjoying lunch at the Royal Yacht Club of Tasmania.

On Saturday 10th September I was privileged to receive an invitation with my wife Jenny to attend Government House on the next day for the wreath laying in memory and respect for Her Majesty Queen Elizabeth II by Her Excellency Barbara Baker AC, the Tasmanian Premier the Hon. Jeremy Rockliff MP and Mr Frank McGregor the Tasmanian Honorary Consul for the United Kingdom. The wreaths were placed at the base of the large English Oak tree planted by Her Majesty during her first visit to Tasmania in 1954. Immediately following, in the magnificent ballroom at Government House, the Governor read the Tasmanian Proclamation of Prince Charles to be King Charles the Third. About 60 people attended the ceremony.

I regret to report that we say farewell to Sue Shea OAM who is moving to Brisbane to live. Based in Launceston Sue has been very active in executive roles in numerous organisations for many years and I am sure they, like the Tasmanian Branch, will be sorry to see Sue move away. Sue has for a number of years been an active and valued member of Branch committee and has chaired the Northern Regional Group. We wish Sue all the best in her new abode and thank her for her valued support and contribution to the Association.

THE WREATH LAYING AT GOVERNMENT HOUSE IN MEMORY AND RESPECT FOR HER MAJESTY QUEEN ELIZABETH II.

BRIAN WINSPEAR AM

Brian Winspear AM with Bernadette Connor OAM and Bernadette Norton at the Association's Platinum Jubilee Dinner in Hobart.

Brian Winspear AM recently celebrated his 102nd birthday in September, 2022.

Brian received his Order of Australia Award in January 1993 for his service to the tourism and hospitality industry. He was a pioneer in the motel and fishing industries in Bicheno, Tasmania, and became a well-known business owner, tourism developer and community figure. He was instrumental in the establishment of the golf club at Bicheno and as a foundation member he coordinated teams of volunteers to implement the course design.

In February this year he attended the Commemoration Service of the bombing of Darwin that occurred 80 years ago. Brian joined the Royal Australian Air Force (RAAF) on 6th December 1940 and was discharged on 26th November 1945. During that time, he earned a number of medals including: The 1939–45 Star, The Pacific Star, British War Medal 1939–45, Australian Service Medal 1939–45 and Australian Service Medal 1939–45 PNG. A survivor of the bombing of Darwin, Brian remembers returning from a mission flying a Hudson bomber to find himself sheltering in a trench as 188 Japanese aircraft mounted their deadly air raid. Brian is one of the few living survivors of the first air raid on Australia.

His contributions to our country did not stop at the end of the war – his life has been a life of service to the community.

Retiring Northern Region Chair Sue Shea OAM with the Mayoress Lyndle van Zetten and His Worship the Mayor of Launceston, Councillor Albert van Zetten.

MAYORAL RECEPTION

His Worship, Mayor of Launceston, Councillor Albert van Zetten invited members of the new Order of Australia awardees to a Town Hall Reception on Wednesday 12th October for a function in recognition of the Order of Australia Association. THE OAA-NAG MEETS IN WASHINGTON AT AN IMPORTANT, SPECTACULAR DINNER

Who could have predicted that the Order of Australia Association-North American Group dinner on August 31, 2022, would have been the last chance for members to stand to toast HM the Queen of Australia, the Sovereign of our Order? Her Majesty passed away just more than a week later.

The dinner, hosted by Australia's Ambassador to the US, HE the Hon. Arthur Sinodinos, AO, and Mrs Sinodinos at "White Oaks", the Ambassadorial Residence in Washington, DC, was a milestone, glittering event in many ways, apart from its memorable toast to HM Queen Elizabeth II. Gathering the North American Group members is always difficult, given that they are scattered across such a vast area of the US, Mexico, and Canada, but the event saw 20 people at the White Oaks dinner.

As well, the evening was used as the opportunity for the Ambassador to undertake the formal investiture of one new Officer of the Order, Prof. Warren J. Ewens, AO, who traveled to Washington with his wife, Kathryn. Prof. Ewens,

an Australian mathematician, has been Professor of Biology at the University of Pennsylvania since 1997. [He also held that position 1972–1977.] He concentrates his research on the mathematical, statistical, and theoretical aspects of population genetics. Prof. Ewens, now 85, has worked in mathematical population genetics, computational biology, and evolutionary population genetics. He introduced Ewens's sampling formula. His AO citation said that his award was for "distinguished service to biology and data science, to research, and to tertiary education".

The August 31 event was, because of the COVID hiatus, the first dinner for the OAA-NAG hosted by Amb. Sinodinos, and he made sure it was all the more memorable after the long gap between formal reunions. Amb. Sinodinos assumed the Honorary Vice-Patronage of the OAA-NAG on arrival in Washington, DC, and has remained active in the affairs of the Group since then. This was evidenced by his spirited leadership of discussion over the Dinner table, where he suggested how best members of the Order in North America could act as "special ambassadors" for the nation.

The OAA-NAG has very much become a networking organization, where Order holders help showcase Australian capabilities.

Former US Director of Central Intelligence, Gen. David Petraeus, AO (hon.), also participated strongly in this discussion at dinner. He has been an active supporter of the OAA-NAG following his extensive service with Australian forces in Afghanistan and Iraq.

The gathering included: Amb. Arthur Sinodinos, AO, and Mrs (Elizabeth) Sinodinos; Gregory R. Copley, AM, Chair of The Order of Australia Association-North American Group, and Mrs (Pamela) Copley; Sophie Blackall, AM, and Ed Schmidt; Gen. David H. Petraeus, AO; Prof. Warren J. Ewens, AO, and Mrs (Kathryn) Ewens; Leon Hertz, AO, and Mrs (Linda) Hertz; Prof. Bruce Stillman, AO; Brig. David Gillian, AM, and Andrea Thompson; Wendy Hayes, OAM; Dr Alison Thompson, OAM, and Albert Gomez; Maj. Gen. Andrew Freeman, AM, and Mrs Freeman; and Cassandra Kelly, AM.

Amb. Sinodinos and OAA-NAG Chair Gregory Copley, AM, led the toasts to HM the Queen of Australia and the Order of Australia Association.

Copley also added: "We cannot thank the Ambassador and Mrs Sinodinos sufficiently for their support of the Order. They recognize its importance, and particularly the value of having a number of Order holders in North America to show the Australian flag. As a result, the effort put into the special dinner at White Oaks resulted in perhaps the most special event the North American Group has seen."

CHAIRMAN'S REPORT

Helene Bender AM

Branch Chairman

chairvic@theorderofaustralia.asn.au

At the time of writing this article many regions in Victoria like other eastern states of Australia are experiencing Flood Watch with ongoing major flooding that has seen thousands of lives changed or destroyed.

We thank all Emergency Services personnel, service clubs, multicultural groups and individuals including Year 12 students who have selflessly given of their time during the devastating floods to prepare meals, offering support, shelter and sandbagging homes, businesses and towns in their communities. Some of the volunteers are OAA VIC Branch members – thank you.

On October 17 the OAA Victoria Branch asked OAA National to implement a moratorium of membership fee renewals from November 1, 2022 for members in flood affected areas, similar to the approach taken January 2020 after the horrific bushfires. Approval has been received and will be reviewed in three months.

Our final VIC Branch event for 2022 is the End of Year Dinner on Thursday November 24 at William Angliss Restaurant with speaker Allan Myers AC KC an Australian barrister, academic, businessman, landowner and philanthropist, and the current Chancellor of the University of Melbourne. Order of Australia Association Foundation 2018 Scholarship recipient Jeremy Doupe will provide members and guests with an update on his studies, work and community service. Please note there will be allocated table seating for this dinner. Book via TryBooking <https://www.trybooking.com/CCRJA>

The Governor of Victoria, the Honourable Linda Dessau AC hosted three Investitures at Government House on September 6, 7 and 8 for 206 Order of Australia Queen's Birthday Victorian recipients who have gone above and beyond.

On behalf of OAA Victoria Branch I signed the official Condolence Book to mark the death of Her Majesty Queen Elizabeth II and attended the ceremony at Government House where His Majesty King Charles III was proclaimed as the new Sovereign of Australia by the Honourable Linda Dessau AC, Governor of Victoria.

Save the Dates for VIC Branch events in 2023: Tuesday February 28 Inspiring Australians Oration, Tuesday March 28 AGM and lunch with speaker, Wednesday October 4 afternoon Thank You Reception for recipients who join the Association in 2023 and End of Year Dinner on Thursday November 23. Our annual National Gallery Victoria event will be announced early 2023.

Please stay safe and enjoy your upcoming festive season.

YOUNG CITIZEN OF THE YEAR SOUTH CENTRAL SUBURBS REGIONAL GROUP

The second of the South Central Suburbs Regional Group (SCSRG) three Bursaries took place when The Kingston Youth Awards were held at Platform 81 at 81 Albert Street Mordialloc on Tuesday the 13th of September.

Mayor Steve Staikos delivered the Acknowledgement of Country and thanked staff who managed the whole process, he recognised the Young Mayor of Kingston who was in attendance and thanked parents and supporters.

After the preliminaries, the Mayor presented the nominees with a certificate after reading out their achievements and congratulating them. There were five brilliant young achievers who each gained a Youth Service Award, their involvement in the community was and is, wide ranging and in all cases showed compassion in dealing with their networks and schools in many cases.

The Mayor had the unenviable task to choose only one nominee to be presented with the City of Kingston Young Citizen of the Year Award. Ms. Alice {Minh Han} Ho was presented with an engraved crystal memento for her to cherish.

SCSRG Chairman Graeme Woolacott OAM then presented the certificate and cheque for \$200.00 to Alice. He commended the work that the other young nominees were doing in the community and congratulated them on their caring and noted that while we have young people such as these our Country and our future are in good hands.

Alice has dedicated her time and energy into passionately advocating for youth mental health within her community by actively participating in numerous groups and initiatives. She has developed her leadership skills by participating in youth leadership groups and youth committees and used these skills and networks to leverage awareness and action for youth mental health on behalf of marginalised young people within the community.

Alice is currently completing a double degree at Monash University where she provides peer mentoring for new students to the university as well as being a Sustainability Volunteer where she is tasked with finding local speakers and assisting with the Sustainability Week activities. She has been elected into an officer role for Clubs and Societies in Parkville, volunteers in various leadership positions across the university and is a Remedy representative, a student run club that specializes in global health care issues.

The bursaries are awarded to the Young Citizen of the Year selected by Council in the municipalities of Glen Eira, Kingston and Bayside which make up the territory of South Central Suburbs Regional Group.

DR ALISON THOMPSON OAM, D.LITT.

Founder of Third Wave Volunteers

Ukraine War update late September 2022:

Australian humanitarian Dr. Alison Thompson OAM, and her team of Third Wave Volunteer first responders, have been working on the front lines of the Ukraine war for the past seven months. They have been training thousands of Ukraine soldiers in combat

medics on how to save lives, extracting orphans and women and children from the red zones and delivering food aid to recaptured front line villages. They are based around the Kherson oblast regions.

The Third Wave team have been escorted to the recaptured villages by a young Ukraine mayor, who had been captured and tortured by the Russians for 3 months and was recently released in a prisoner swap. The Russians are located only a half mile down the road and as the artillery begins to drop around Thompson's team, they seek shelter in WW2 underground bomb shelters.

Dr. Thompson speaks about their work.

"When we enter newly recaptured villages, the locals slowly gather around us, scared and cautious at first, and

then cry for joy in our arms as they realize they are now safe, and that the terror of the Russian occupation is over--- at least for now.

It is in those remote wheat fields, where a volunteer and a refugee meet and embrace - no walls, no discrimination, one country, one human race. Sometimes a hug would last more than 5 minutes and other hugs 30 seconds, and it is in those minutes where we have felt the greatest moments of unconditional love.

This is a civilian war, where the Ukraine soldiers are made up of fishermen, farmers, PHD philosophy students and baby food salesmen. They are given a uniform and a gun and trained for five days, before being sent to the front lines. Many won't return.

It's easy to be in the wrong place at the wrong time but it is Leadership to be in the wrong place at the right time. "

Note: Dr. Alison Thompson was a Sept. 11th 2001, first responder in NYC and since has run large refugee camps, field hospitals, and resilience hubs around the world in natural and man-made disasters for the past 22 years, including the Syrian, Afghan and Venezuela refugee crisis. More recently she has raced into the Puerto Rico hurricane Fiona disaster with her rescue teams - as half of the country is under water- She will be back in Ukraine.

In 2010 she received the Medal of The Order of Australia for her service to humanitarian aid, particularly in Sri Lanka during the Boxing Day 2004 tsunami.

STOP PRESS: UNITED STATES PRESIDENTIAL AWARD

Ahead of her ninth trip to Ukraine in 2022, the humanitarian charity worker and paramedic Dr Alison Thompson OAM, has received a US Presidential Lifetime Service Award, usually reserved for American Citizens. The award, which honours “outstanding volunteers and recognises the impact they make”, was one of five presented on Friday 4 November.

In late September, while between visits to Ukraine, Dr Thompson helped in the aftermath of Hurricane Fiona in Puerto Rico and Hurricane Ian in Florida.

STEFAN ROMANIW OAM LEADING THE CHARGE IN UKRAINIANS CARING FOR COMMUNITY

For Australian Ukrainians, their focus has been on the war in the Ukraine: their fears for their families and friends, and their dismay at seeing Ukraine in the grip of a war.

Stefan Romaniw OAM presented an insightful account of how the war has impacted the community, both locally and overseas when he spoke at the Victoria Branch Melbourne Central Regional Group lunch. Stefan was joined by key members of the Australian-Ukrainian community.

Photo L-R: Teresa De Fazio OAM Vic Branch committee, Trevor Clark OAM Vic Branch Deputy Chair & Melbourne Central Regional Group Chair, Stefan Romaniw OAM speaker

Members of the Order of Australia Association listened intently to how the local Ukrainian community and their friends have been frantically collecting clothing, blankets, and important supplies to send to the Ukraine to ease the conditions of those effected there. Also, how the local Ukrainians, joined by the broader community, have mobilised to ensure that those fleeing the war, are supported as best possible.

Stefan Romaniw, has held, and continues to hold many distinguished community positions. As Co-Chair of the Australian Federation of Ukrainian Organisations he is normally overseeing community social, educational and other programs. However, recently found himself in the warzone seeing for himself the devastation and trauma that war brings. Suffice to say, that each person present found Stefan's presentation very moving and informative, and the Ukrainian community, equally moved and grateful for the support provided by the OAA.

One of the issues raised was the need for winter clothes as for many they belongs are all gone. The Australian Ukrainian community is seeking to send clothes as their winter approaches.

CHAIRMAN'S REPORT

James Mein AM
Branch Chairman
chairnsw@theorderofaustralia.asn.au

I was challenged by a comment from popular ABC Presenter Stan Grant who opined at a recent Oration event he moderated: "DON'T ACCEPT THE STATUS QUO."

My mental response was that the recipients of the Order of Australia are great role models of such people who break new ground with inventions, medical research, community service and adapting to our constantly changing world. That could easily be a fundamental criterion to a successful nomination which can be measured by the Governor-General's comment to our Branch Committee during a zoom meeting he instigated last year with us. He referred to the "rippling affect" of a nominee's service. That in turn drives me to encourage nominations for an Order of Australia by looking around you for such people.

I have yet to meet an Awardee who has accepted the status quo in areas for which they have been cited. This I have learned and gained from in depth conversations with so many recipients at their investiture, our Association functions, casual meetings and when searching for good function/lecture speakers, and for written articles: "what was your Award citation", and to expand each chat with "what have you done in the community."

The results are extremely motivating for their inspiration, "rippling impact" and humility, as well as being encouraging for not just our local communities, but for the nation and internationally. The same can be said for the high school recipients of our Branch Youth Community Service awards.

I am also quick to respond to many recipients who make comments such as "I do not know why I got my award as there are many people who have done more for the community than I have." In fact, one NSW State Governor chastised a recipient to never say anything like that. "A group of citizens have nominated you because they have seen and highly value your service. I know you did not serve to be recognised and they recognise your impact and want to publicly thank you."

Not one of them has accepted the status quo and there is more each of us has yet to do.

I enjoy my regional and branch gatherings and I continue to be inspired. These have included our Branch attendance at the 2022 Queen's Birthday Honours investiture ceremonies and NSW Branch Community Service awards presentation at Government House, our Opera luncheon, regional visits to Dapto, Port Macquarie, Coffs Harbour, Sydney's Northern Beaches and Mittagong.

Please continue to inspire by advancing Australia well beyond the status quo.

THE ORDER OF AUSTRALIA ASSOCIATION CLARENCE/RICHMOND BRANCH

ANNUAL LUNCHEON 18 SEPTEMBER

The Clarence/Richmond Branch held its annual function on Sunday, 18th September at the Alstonville Bowls and Sports Club.

The luncheon was well attended by 21 Awardees and 17 Guests. Our Guest speaker was Mr Stephen Garbutt OAM. Steve received his award in 2021 for his long service to the community through his work with Emergency Services, and especially in his role as long term Captain of the Wyrallah Bush Fire Brigade.

Steve spoke on his many deployments, working on Bush Fires in four States over many years, as well as his work in Flood clean-ups, especially in this year's Northern Rivers floods. He emphasised the emotional stress that all emergency personnel experience when dealing with these devastating situations, and with people's trauma in losing lives, possessions and animals.

The Branch Committee were all returned for another year, and next year's function is planned to return to May 2023.

MEET OUR REGIONAL CONVENORS: RUBY RIACH OAM – DUBBO – ORANA REGION

Ruby received her OAM in 1996 for services to education and in particular to educational organisations. She served in Executive positions in two significant Professional Education Organisations – Australian College of Educators and the Professional Teachers Council. Ruby was invited to take over the role of State Secretary of the Order of Australia Association in 1997, which he did for 7 years. She was Deputy Chair OAA NSW Branch before moving to Dubbo to care for her sister.

She joined the Dubbo Group Committee at that time and became the Convener when Max Walters AM MBE, who had established the Group in 1999, became ill and died shortly after. She has been the Convener since that time and is now ready to hand the role over to a younger member when we can find someone who is prepared to take on this role.

More of our wonderful Regional Convenors will be introduced in coming editions of The Order, and our monthly Newsletters. (LD)

HELPING YOUNG AUSTRALIANS FULFIL THEIR POTENTIAL

On November 28, 2003, as Chairman of the Order of Australia Association Foundation, Mr Hugh Morgan AC spoke eloquently and persuasively at the Victorian Branch annual dinner about the difference the Foundation's work could make in the lives of young Australians. In the following February the first bursaries were awarded to "three young Australians with the potential to go on to great things in their subsequent careers, but whose financial position, for whatever reason is precarious".

Since then, Hugh has led the Foundation with great distinction. During that time, 45 scholarships have been awarded with a value close to \$2 million. The awardees have come from every state and territory, undertaking degrees in around twenty different disciplines or combination of degrees. But it is not just the Foundation's financial support that has made a difference. It is also the mentorship that has come from members of the Order of Australia Association providing not just career advice, but advice for life. And none of this would have been possible without the incredible generosity of donors who have helped bring alive the dreams and aspirations of these young Australians. Without the support of so many members of the Order, the Branches, the Directors of the Foundation, as well as the general public, none of this would have been possible.

At the August 2022 meeting of the Foundation Board, Hugh handed the

baton of the Foundation Chairman to me, while generously agreeing to stay on the Board as a Director. In taking up the role of Chairman, I walk on the shoulders not only of giants such as Hugh, but also of all the other selfless Board members, and donors who have left such a strong legacy. I hope that my background in education, the arts, in management, health and disability, as well as in business will make me equal to that task.

While much has been achieved, there is more to do. With additional financial support, we have the ability to have an even greater impact on the lives of more young Australians who need support to achieve their full potential. And with great mentorship advice, they can reach for the stars.

In this endeavour I look forward to working with the Branches of the Order of Australia Association, as well as with the members of the Association. You have all given so much already. Through the Honours system, Australia has acknowledged with gratitude your undoubted contributions. But as a group of Australians with huge hearts, I know that we can lean in even more to help young Australians fulfil their potential. I ask you to join me in this quest. I thank you in advance for doing so.

CHAIRMAN'S REPORT

Mrs Bettine Heathcote AM
Branch Chairman
chairwa@theorderofaustralia.asn.au

The Branch held a very successful Annual Dinner at the Royal Perth Golf Club at which it had been planned to raise a toast to Her Majesty the late Queen Elizabeth II to celebrate her Platinum Jubilee. Instead, a minute's silence was held in honour of her memory. Later in the evening, for the first time, a toast was made to His Majesty King Charles III.

The WA Branch has now received confirmation that our new Governor, His Excellency the Honourable Chris Dawson APM has agreed to be our Patron. We look forward to working with His Excellency and his staff as we promote more nominations from this State.

A very successful launch of the new Peel Regional Group was hosted by the Mayor of Mandurah who offered support to the new region in the form of premises in which to hold events.

Lunch at Caves House in Yallingup will bring back lots of memories for members attending the South West Region event on Friday 21st October. Caves House has been a holiday destination for many, many years. A contingent of members from Perth will join the Great Southern Region members for their Church service followed by lunch on 27th November. The year's events for the Branch will culminate in a Christmas Lunch at the Fremantle Sailing Club on 8th December.

We wish all members a very Happy Christmas.

RECEPTION FOR THE QUEEN'S BIRTHDAY HONOURS AWARD RECIPIENTS

On a wintry evening in August, 27 Queen's Birthday Honours Award Recipients were welcomed by the Lord Mayor, Basil Zempilas and the Chairman of the WA branch of the Order of Australia, Bettine Heathcote AM, to Council House. Mr Basil Zempilas gave a rousing welcome speech and during it mentioned his Mother Marcia Zempilas OAM, who had received her honour for work with the Greek Community and Hospital Visiting.

He remarked on the wonderful ceremony at Government House with the then Governor, His Excellency Major General Michael Jeffries AO MC.

Bettine Heathcote AM welcomed each recipient with a précis of their awards. These were many amazing achievements and voluntary works in a variety of community activities.

The response was given by Dr Ruth Shean AO. She acknowledged the honour to be invited to join the Membership of the OAA. She felt was now one of a close knit group in Western Australia. She spoke of how pleased she was to see the recognition given to the Noongar leaders who have been influential in justice, housing, child protection and education.

The National Chairman, Major General Barry Nunn AO, who resides in WA, spoke of the Order of Australia as being exceptional around the world and encouraged those present to make nominations.

Following the formal procedures, a delicious supper was enjoyed as awardees and their guests mingled with past awardees in wonderful room with a view over the Swan River at night.

OAA PEEL REGION BRANCH CIVIC RECEPTION

On Wednesday 31 August 50 participants spent a very enjoyable evening at the Mandurah Performing Arts Centre. This is a wonderful venue on Mandjar Bay where the Mayor and Councillors held a civic reception to launch the OAA Peel Region Branch. The Mayor, Rhys Williams, spoke well when he welcomed us. He was delighted to have an opportunity to acknowledge and thank the recipients of an Order of Australia for their service to the community and their ongoing commitment. He was followed by Bettine Heathcote AM who thanked the Mayor and councillors for launching the regional group. She thanked Professor Jo Barker AM who promoted the group and Marion Blair OAM for their commitment and hard work. Marion Blair OAM is to be the convenor of the group.

She encouraged those present to join the Order of Australia Association and attend the Formal Dinner, the Albany Service and lunch and the Christmas lunch.

OAA WA BRANCH ANNUAL DINNER 2022

On Wednesday 21 September a number of members of the OAA WA Branch and their guests were once again able to meet and enjoy fellowship and good food at the Royal Perth Golf Club. The flower decorations had been arranged by ladies of the Golf Club and were stunning in yellow and blue. Our National Chairman, Major General Retd. Barry Nunn AO raised the loyal toast to the King, our Vice Patron, Kerry Sanderson AO, toasted the Order of Australia Association.

The speaker was Sue Murphy AO, an amazing lady, who is profiled in the November The Order magazine. She spoke about "Water forever for WA". She discussed the problems that C Y O'Connor experienced with the water supply to the Gold Fields and pointed out the lesson learnt. When in 2001 our water supply was reaching a crisis, we needed to be climate independent. The water issue extends beyond one political term. The solutions were desalination and wastewater recycling. The Water Corporation engaged with the community and Groups were welcomed with innovative ideas. With regard to the wastewater treatment there was a trial plant and visitors centre, numerous workshops and by December 2012 the trial was at an end with 2.5 billion litres of clean water added to the aquifer. There is an 80% agreement in Australia that treating wastewater and pouring it into the sea is not the answer in Australia. We are the envy of utilities across the world. The Water Corporation learnt that technical expertise is not enough. One needs community hearts and minds, both sides of politics must agree, one needs to educate the media and keep them on side.

SUE MURPHY AO

Sue Murphy AO

Sue was made an Officer of the Order of Australia (AO) in the 2019 Queens Birthday Honours List. She has been a trail blazer for women in engineering and management.

We were privileged to hear her speak at the OAAWA Annual Dinner on her work re the wastewater recycling.

Sue was born in Western Australia and educated in Perth, winning a scholarship to high school at MLC. She graduated as a Civil Engineer at the

University of Western Australia in 1979. Women at that time were not encouraged to study Engineering.

After winning a Clough Scholarship as an undergraduate, she joined Clough Engineering in 1980 commencing what would be a 25year career in that organisation. Twelve years in the field as a site engineer and project manager led to corporate roles with a focus on engineering design management, human resources and safety and her appointment in 1998 as the first woman on the board of Clough Engineering Ltd.

In 2004 Sue joined the Water Corporation of WA and was appointed Chief Executive Officer in 2008. Sue is recognized internationally for her leadership of the Corporation's adaptation of water supply in the face of climate change. This includes the delivery of two large scale desalination plants, Australia's first large scale indirect potable recycling scheme and award winning programmes of customer engagement to reduce per capita water demand while maintaining Perth's enviable liveability.

In each year from 2009 – 2016, Sue was listed in the top 100 most influential engineers in Australia by Engineers Australia. In 2013 Sue was honoured with the prestigious Sir John Holland Civil Engineer of the Year Award by the Board of the College of Civil Engineers of Engineers Australia. Sue was also elected as an Honorary Fellow of the Institution of Engineers Australia.

In 2014 Sue was presented with the IWA's "International" Women in Water Award and in 2018 Sue was ranked number 8 in the prestigious Water and Wastewater International magazine for the top 25 Water Leaders and was named as the 2018/19 WA Business Leader of the Year at the AIM WA Pinnacle Awards.

Sue is now a nonexecutive director on a number of listed and not for profit Boards including Monadelphous Ltd, UWA Senate, WA Treasury Corporation and MMA Offshore Ltd.

CHAIRMAN'S REPORT

Dr Gary Bacon AM. BSc (Hons). PhD. FIFA.
Branch Chairman
chairqld@theorderofaustralia.asn.au

Hearty Greetings are forwarded to all members.

Many of you are philatelic tragics from way back and as I can be so labelled as well, I share with you this collector piece that resonates in these days of remembering the loss of our seven decadal Sovereign.

You will observe on the mini-sheet stamp that Her Majesty wears the Order of Australia insignia.

Another compelling portrait of Queen Elizabeth II that attracted the worlds media has been that of a light plane tracked on FlightRadar that took place in early October. The profile of the Queen covers Oxford, while her crown stretches from Rugby to Milton Keynes,

with a jewel in the centre directly over Northampton. The flight covered 400 km, creating a portrait that is 100 km tall and 60 km wide.

Screen grab taken from flightradar24.com of a profile of Queen Elizabeth II drawn by pilot Amal Larhlid who flew a Piper PA-28 plane on a two-hour flight to raise money for Hospice UK

As noted in the last issue the Patron of our Queensland Branch was awarded a Companion of the Order of Australia in the 2022 Queen's Birthday list. Unfortunately due to the death of the Sovereign the Investiture by His Excellency the Governor General in Canberra has had to be postponed until later in November.

As Branch chairman I represented the Order at the Australian National Flag Day ceremony hosted by the Right Honourable Lord Mayor at City Hall, wrote condolence messages at Government House and City Hall and attended the Queens Thanksgiving Service at St John's Cathedral.

A successful Secondary Schools Citizenship Awards event was held in the Premiers' Hall, Parliament House on 16 September. Grade 12 students selected by a panel for their volunteering and community commitments were presented with their deserved awards by Her Honour, Helen Bowskill, Chief Justice of the Queensland Supreme Court. All 74 nominees from 53 schools sited across the State will receive acknowledgement.

The Queensland Branch will be hosting a complimentary lunch for Queen's Birthday Order of Australia awardees after delayed Investitures at Government House in November. Regional activities have been held and are planned soon for the Gold Coast, Metro, Bribie Island, Mackay, Townsville, Rockhampton, Caloundra and Toowoomba.

The Branch Committee thanks our distributed membership for their manifest support of the many functions scheduled around the State.

Continue to keep well and safe

Gary

GUEST SPEAKER THE HIGHLIGHT OF TOWNSVILLE GROUP DINNER

Members of the Townsville Group of the Order of Australia Association, their partners and guests enjoyed a night out at their annual dinner with one of the best attendances since the functions were resurrected. With the event again clashing with many other activities in the region in September, there were again a large number of apologies from those who would have liked to be there but finding a suitable date amongst a busy group of people in the area is difficult. Even finding a suitable venue from those that the Group normally uses was difficult, with many booked out with other functions.

However, the chance to use the North Queensland Club was offered and accepted and it proved to be an excellent choice with an enjoyable two-course meal and proficient service from the hosts leading into the guest speaker providing what was described by one guest as one of the best he had heard.

The guest speaker was Dr Don Bowley OAM, a long-time medical officer at the Royal Flying Doctor Service in Mount Isa, who backed up his offer to be the speaker, by undertaking the ten-hour journey to Townsville by car the day before the event and then returning home the day after in another ten-hour marathon drive. Dr Bowley, who has been in the western city for over 25 years, was accompanied by his wife, Meegan on the trip and was also joined by his mother-in-law and brother-in-law, Rae and Kevin Bradbury at the Townsville dinner.

The uniquely Australian medical service to the inland areas of our nation is provided from Mount Isa by Dr Bowley as the medical officer, supported by a number of fly-in, fly-out doctors and their efforts in sometimes difficult circumstances was highlighted by the medical officer, as he described some of the more difficult tasks they undertook, backed up by film of planes landing at night with limited light on narrow landing strips and having to extricate badly-injured patients from out-of-the-way places. The address capped off an excellent night for all attendees, as they renewed acquaintances with other awardees from the Townsville region.

LEADING AT THE SPEED OF CHANGE

Dr Dimity Dornan AO an entrepreneur, speech pathologist, researcher, Churchill Fellowship Holder, Chair of Bionics Queensland and a Fellow of Australian Academy of Technology and Engineering, Queensland's Senior Australian of the Year (2018), Founder of Hear & Say and recipient of other awards too numerous to mention.

To the delight of OAA members and guests attending the Sunshine Coast Region Morning Tea held on beautiful Bribie Island on 9 September 2022, Dr Dornan AO had accepted our Invitation to be our Guest Speaker. The title of her presentation was "Leading at the Speed of Change: From the Improbable to the Incredible".

Dr Dornan founded Bionics Queensland in 2016 and it was officially launched in 2019. As Chair of the Board she has been working to promote the Bionics Industry and help bring new solutions to market for the benefit of people with previously untreatable medical problems. These include not only hearing but also other senses, neurological, limb and organ conditions. Members of her captive audience heard of the research at present being undertaken to bring to fruition the dreams and plans to bring the "Improbable to the Incredible" and so further help humanity. Dimity happily answered the many questions put to her, before being thanked by Dr Mick Davis AM ASM (OAAQ Deputy Chair) and presented with a gift and a Certificate of Appreciation.

L-R Dr Mick Davis AM ASM and Dr Dimity Dornan AO.

Members were delighted to welcome Dr Dornan's husband Peter, members from other Regions and Queensland Branch Committee members. All enjoyed fellowship and the delicious Morning Tea provided by Serenity Caterers while overlooking the sparkling waters of the Pumicestone Passage.

As a sign of respect a minute's silence was held to remember our late Queen Elizabeth II and a further minute's silence was held as a mark of respect for our late member Mr John Moffatt AM.

Once again the Bribie Island VMR function room was the venue for our Morning Tea and a Certificate of Appreciation was presented to the VMR Secretary Mr Gary Voss.

SECONDARY SCHOOL CITIZENSHIP AWARDS 2022

The Honourable Chief Justice Helen Bowskill, presented the Secondary Schools Citizenship Awards at the 23rd annual Awards Presentation Ceremony in the Premiers' Hall of Queensland's Parliament House on Friday 16 September 2022. We thank Her Honour for her keen support of our awards programme and for her address to the gathering on the value of citizenship and community service.

We received an excellent response of 74 nominations of worthy year 12 students from 53 Secondary Schools comprising a good sprinkling of both State High Schools and private colleges from across Queensland.

Secondary Schools Citizenship Awards were presented to thirteen outstanding year 12 school students selected by a three person judging panel. The Awards showcase some outstanding Queensland secondary school students performing great examples of selfless community service and promoting true Australian citizenship. The acceptance speeches from the students were inspirational and the students brought great credit to the schools they represented.

Music was provided during the Presentation by the Amadeus Strings Ensemble from Corinda State High School.

One hundred and twenty guests including students and their families, school principals and representatives, State Members of Parliament and twelve members of the Association attended.

The Queensland Branch of the Association thanks Mr Tim Fairfax AC for his continued support and sponsorship of the awards programme over a number of years.

CENTRAL QUEENSLAND REGIONAL LUNCHEON

L-R Rick Palmer, Debbie Clayton AM, Penny Palmer, Peter Milne AM, Carolyn Milne, Grant Cassidy OAM, Andrew Palmer OAM

The Order of Australia Association Central Queensland Region biannual luncheon was held on 12 October at the Frenchville Sports Club, Rockhampton. Forty people from across the region and diverse backgrounds attended. Guest speaker, CQU Emeritus Professor Debbie Clayton AM spoke on education and skills development to meet Australia's workforce needs. It was a timely topic given the massive disruption occurring in Australia today because of the inability to recruit appropriate people to most sectors of our economy, perhaps most critically in the medical field. The talk encouraged an energetic question time.

CHAIRMAN'S REPORT

Tony Metcalf OAM
Branch Chairman
chairsa@theorderofaustralia.asn.au

We open this report on a very sad note following the passing of Her Majesty Queen Elizabeth II, Queen of Australia and Sovereign of the Order of Australia. On behalf of the Branch Committee and our membership, I made an entry in the Condolence Book at Government House Adelaide.

Branch Committee members and myself represented the Association at a series of investiture ceremonies at Government House at the beginning of September for this year's Queen's Birthday Honours List recipients. We then acknowledged these recipients at our New Recipients' Reception on Monday 24 October, held at the Payneham Library through the generous support of the City of Norwood, Payneham and St Peters. We also thank Vili's Family Bakery for subsidising the cost of the refreshments.

We have continued with our social events, including Fellowship luncheon meetings at the Naval, Military and Air Force Club in Adelaide, and various local visits such as our very successful winery tour and lunch at Serafino Winery in McLaren Vale. Our Regional Groups have also continued with their activities.

The 2022 Student Citizenship Award certificates and trophies have been prepared, and we are now making arrangements for various presentation ceremonies, including a Top 10 and Student Citizen of the Year Award Ceremony and Reception at Government House.

We are currently planning for our major events in the first half of next year – our Branch 'Celebration of Australia Day' luncheon and our Annual General Meeting.

I wish you all the best for Christmas and the new year.

A MEMORY OF MEETING QUEEN ELIZABETH II

Greg Gordon OAM JP has observed that Queen Elizabeth II passed on his birthday on 8 September. He was moved to write down his memory of meeting Her Majesty in 1977.

During the Royal Visit of Queen Elizabeth II and Phillip Duke of Edinburgh to Australia in 1977, it was programmed for the Queen to open the Southern Plaza of the Adelaide Festival Centre on Tuesday 22 March.

The arrangement was that Queen Elizabeth and the Duke of Edinburgh would walk from Government House and proceed down King William Road to the Festival Centre, a nominal distance of 250 metres, and spectators would line the route.

For the occasion, pipers of the Royal Caledonian Society of South Australia, Pipe Master Vern Raymond and Pipe Sergeant Greg Gordon were engaged to provide musical accompaniment. Amongst the assembling spectators, behind the barrier rope opposite the Festival Centre, was Christine Gordon with our daughters Catherine (aged 5) and Ailsa (2).

In order to see more up the street than the surrounding legs, Ailsa broke free and ducked out under the barrier rope, and came face to face with a big policeman, who said "Bool!". She returned quickly to the safety of Mum.

Precisely at 4 pm, the walk commenced, and the sound of bagpipes heralded the progress of the short walk. The destination was reached 5 minutes later, and the pipers ceased playing and acknowledged the Royal Party. Queen Elizabeth, always conscious of protocol, thanked the pipers.

In response, Pipe Master Raymond said words to the effect that it was a pleasure just as it had been to play as duty piper for her at the Palace in years gone by, as a Sergeant Piper in the Scots Guards. There were smiles all round as the pipers took their leave.

FELLOWSHIP LUNCHEONS

Our August honours recipients fellowship luncheon was well supported once again by members who shared in comradeship, some for the first time. The guest speaker was Mr Trevor Powell OAM, who spoke on the topic "Ships and shipping in Port Adelaide", a subject that has been close to his heart for most of his life.

Born in 1948, Trevor has lived in the Port Adelaide–Semaphore area most of his life. He grew up watching the activities on the wharves and the Port River, thus developing a life-long interest in ships and shipping, and the Port in general. He said: "For the last ten years, I have returned to some of my early interests, combining my love of ships and shipping with photography, and running my Maritime Photography site on the internet".

The guest speaker for our fellowship luncheon on Thursday 27 October was Mr John Ford OAM FASMA, on the topic: "The Journey to South Australia and early Migrant Ships". John is a renowned marine artist, and a Fellow of the Australian Society of Maritime Artists. He has had numerous exhibitions and art awards to his credit. Throughout August, John had his artworks displayed in an exhibition presented by Genealogy SA as part of the South Australian Living Artists (SALA) Festival for 2022 – a state-wide festival of visual art.

Members and guests who attended the August fellowship luncheon (standing, left to right): Professor Maria Parappilly OAM, Flavia de Pasquale OAM [coordinator], Helen Smith, Don Clarke OAM, Trevor Powell OAM [guest speaker], Helen Meyer, Lennox Pawson OAM and Pamela Rajkowski OAM [co-hostess]. Seated (left to right): Marija Perejma OAM and Mrs Pauline Powell.

EVENTS

On Saturday 17 September, the SA Branch held a special wine-tasting and lunch at Serafino Winery in McLaren Vale. The guest speaker was Steve (Serafino) Maglieri AM, who was appointed to the Order of Australia in the 2018 Australia Day Honours List, "For significant service to the Italian community of South Australia, to a range of charitable and tourism activities, and as a winemaker".

The Serafino story began in 1964 when young Serafino Maglieri arrived in Australia from Italy as a passionate teenager full of dreams. See more here: <https://serafinowines.com.au/>

Noel Hender reported that, although the skies were dark and threatening on the day, the atmosphere was bright and bubbly inside the beautiful venue at Serafino's family winery at McLaren Vale: "Whilst relaxing and gazing out onto the picturesque grounds and lake of the magnificent 380 acre estate, thirty one Branch members and friends savoured a wonderful wine tasting and luncheon experience hosted by Serafino (Steve) Maglieri AM".

The group started with tastings at the cellar door, followed by a generous traditional antipasto platter of meats, olives, cheeses and nuts. A delicious pasta main dish of choice followed, complemented by a variety of Serafino fine wines, coffee and petite fours. Steve entertained the group with a passionate account of the hard work and commitment his family put in under the guidance of father Giovanni, throughout the foundation years of the late 1960s and since. It was through their consistent and dedicated efforts that the family steadily built the estate to what it has become today – Serafino Wines – one of the leading South Australian wineries.

Upcoming SA Branch activities include:

Friday 9 December: Christmas Morning Tea

Saturday 21 January 2023: Celebration of Australia Day luncheon

Thursday 23 February 2023: Honours recipients fellowship luncheon, with guest speaker Elaine Attwood AM

Friday 24 February 2023: South East Regional Group luncheon meeting in Mount Gambier

Saturday 25 February 2023: 2022 Annual General Meeting (37th AGM)

Many thanks to our host and guest speaker Steve (Serafino) Maglieri AM (pictured above with our group, in the centre of the photograph).
