Her Excellency the Governor honours the fallen at the Penang (Western Road) Cemetery.

MALAYA & BORNEO VETERANS DAY Penang, Wednesday 30 August 2023

In August, Her Excellency the Governor conducted an official visit to Malaysia to promote South Australian educational, trade, and energy opportunities. The Government House Facebook page reported that Her Excellency met with Malaysian ministers and officials, engaged with business, met with representatives from Taylor's College which has been delivering the South Australian curriculum in Malaysia since 1982, and delivered a speech at the Energy Transition Conference 2023, highlighting South Australia's progress as a world leader in energy transition.

The visit also celebrated the 50th anniversary of the Sister City relationship between Adelaide and George Town, the capital city of Penang. In a notable connection, Captain Francis Light established George Town in 1786, naming it after the King and laying it out in a grid pattern near the port. Five decades later, Light's son Colonel William Light similarly founded the city of Adelaide on a grid layout.

Penang has a very special connection to Malaya-Borneo veterans – many Australians were based in Penang after the 28th Commonwealth Independent Infantry Brigade Group was formed in Malaya on 16 September 1955 until the brigade relocated to Malacca in the early 1960s. There are 50 Australian fallen from the Malayan wars who remain buried overseas - 6 of them are buried in the Penang (Western Road) Cemetery.

On Wednesday 30 August, the Governor visited the Penang (Western Road) Cemetery and laid a wreath in honour of Malaya and Borneo Veterans Day.

INVESTITURES September 2023

The Chairman and SA Branch Committee members have recently attended six investiture ceremonies for people who have been recognised through the Australian Honours System in the 2023 King's Birthday Honours List.

Kathryn House AM attended Government House on Thursday 14 September. She noted:

"On that day, citizens were honoured for their service in a diverse range of areas including occupational (hand) therapy, primary education, animal welfare, plant genomics, Girl Guiding, diabetes research, head and neck surgery, football and the community, to name a few! It was inspiring to hear of all their amazing achievements".

The SA Branch has developed an Order of Australia Association information brochure, and with the approval of Her Excellency this brochure was included in the information folder received by all new recipients.

Regional Group News

The **Riverland and Mallee Regional Group** held their Spring luncheon meeting at the Loxton Club (Starlight Room) in Loxton on Friday 29 September 2023.

The River Murray traverses the area that is defined for our Riverland and Mallee (and adjoining Murraylands) Regional Group. Now that this significant event – the massive River Murray flood – has all but passed, discussions have suggested that there are probably a significant number of photos, videos and experiences that members could share – from the Riverland to the Lakes. Further thought and investigations about this will be considered at the next gathering.

The next meeting of the **Yorke Peninsula Regional Group** is scheduled for Sunday 22 October 2023, at the Ardrossan Hotel/Motel (the 'Top Pub') at 36 First Street in Ardrossan.

The **Fleurieu Regional Group** will hold its next self-funded luncheon meeting on Friday 3 November.

Regional Groups Coordinator Ken Coventry OAM JP has provided an update about an opportunity to establish a regional group for the **Eyre Peninsula** region. The formation of a Regional Group has initially focussed around Port Lincoln, and a luncheon will be held on 17 November at the Grand Tasman Hotel.

The **South East Regional Group** meets in Mount Gambier biannually, and at an alternative regional location in the alternate years. The next gathering is planned for Friday 23 February 2024.

A further 29 students will receive a certificate and medallion – 20 of which are rated as 'Highly Commended'.

A total of 30 schools were represented this year, with a total of 39 nominations.

A school Certificate of Appreciation, acknowledging those schools who have participated for the first time, will be awarded to IQRA College, Parafield Gardens High Schools, Playford College and Pembroke College.

The Student Citizenship Awards Convenor, Noel Hender OAM BEM, wishes to thank all who have contributed to and supported the SCA program this year – including the Assessment and Selection Panel members John McKellar AM, Peter Routley AM, Elaine Bussenschutt OAM, Judith Leeson OAM and John Phillips OAM, and also Paul Rosenzweig OAM for the production of the brochure, website promotion and certificate development and printing.

Special thanks also to Mr Keith 'Chook' Fowler OAM, whose generous donation has enabled the SA Branch to include a special medallion for all Award recipients.

Those nominees selected to be in the Top 10 ('With Distinction') will receive their medallion from Her Excellency mounted on an engraved wooden plaque. At the award ceremony at Government House, Her Excellency will announce the 2023 Student Citizen of the Year.

The other successful nominees will each receive their certificate and cased medallion from a Branch member at a presentation, usually in front of parents and peers at their respective school or college.

Noel is currently identifying Branch members who are willing and available to present a certificate and medallion at a school assembly or end of year ceremony during Term 4.

Would you be interested in conducting such an award presentation on behalf of the Order of Australia Association SA Branch?

Perhaps there is a recipient at a school with which you have a particular affinity? Please advise Noel if you would like to present a certificate at a school assembly:
